# Team and Rankings

We are a prominent law firm located in Santiago, Chile. We have extensive experience in providing legal services focused on Construction Projects, Litigation, and Arbitration.

## \_Rankings 2025

Molina, Ríos Abogados

# Services\_

Experts in project development and execution, as well as dispute resolution, arbitration, and civil litigation.

We are lawyers specialized in Contractual Advisory and Construction Project matters, both in Public and Private Infrastructure, Concessions, Energy, Mining and Real Estate Projects.

We work closely with our clients to provide all the necessary legal and strategic services for their projects in Chile and abroad.

# Fenwick Elliott Alliance

**Fenwick Elliott** stands out as the leading UK law firm specializing in construction and energy law. Through this alliance, we aim to strengthen the delivery of top-tier legal services for the construction, energy, and infrastructure industries in Latin America.

# Expertise\_

## no. 1 **Litigation**

Extensive experience in arbitrations, litigation, and mediations in civil and commercial cases, including construction, concessions, insurance, and guarantees. We provide legal services at all stages of the process, including pre-negotiations, documentation, trial, appeals, and enforcement proceedings.

## no. 2 **Infrastructure and Construction**

Extensive experience advising both national and foreign clients on public and private construction contracts, PPPs, and mega-infrastructure projects, including energy, mining, and others, both during the bidding stage and throughout the execution of works.

# Clients\_

At Molina Ríos Abogados, we work with national and foreign clients, building personalized and trustworthy relationships based on ethics and loyalty, to promote and protect their interests and strategic objectives.

Vinci | Acciona | Engie | Mainstream |  
Colbún | Powerchina | EFE | Vias Chile | Sacyr | FCC  
among others.
