Services_

Experts in project development and execution, as well as dispute resolution, arbitration, and civil litigation.

We are lawyers specialized in Contractual Advisory and Construction Project matters, both in Public and Private Infrastructure, Concessions, Energy, Mining and Real Estate Projects.

We work closely with our clients to provide all the necessary legal and strategic services for their projects in Chile and abroad.

Fenwick Elliott Alliance

Fenwick Elliott stands out as the leading UK law firm specializing in construction and energy law. Through this alliance, we aim to strengthen the delivery of top-tier legal services for the construction, energy, and infrastructure industries in Latin America.

Expertise_

no. 1 **Infrastructure and Construction**

Extensive experience advising both national and foreign clients on public and private construction contracts, PPPs, and mega-infrastructure projects, including energy, mining, and others, both during the bidding stage and throughout the execution of works.

no. 2 **Litigation & Arbitration**

Extensive experience in arbitration, litigation, and mediation in civil and commercial matters, including construction, concessions, insurance, and guarantees. We provide legal advice at all stages of the process, from pre-litigation negotiations and documentation through trial, appeals, and enforcement proceedings.

no. 3 **Corporate**

Ongoing legal advice to our clients on corporate and commercial matters, mergers and acquisitions, complex transactions, and negotiations.

no. 4 **Real Estate & Urban Planning**

Comprehensive legal advice on the development of real estate projects of all kinds, from structuring, financing and land acquisition through to execution and commercialization. Our practice covers urban planning, permits, contracts, regulatory matters, and the resolution of administrative and judicial disputes.
